(e) Labor indemnity. The Supplier shall defend, indemnify and hold harmless Cirion and Cirion's Affiliates, their representatives and employees, against any claim, demand, fine, penalty, cost, expense (including attorneys' fees and costs) and judgment —even of a joint or subsidiary nature— that arises, directly or indirectly, from labor, pension or social security relationships of the Supplier's personnel or its subcontractors, or from non-compliance with the rules referred to in subsection (b).

(f) Transfer to Subcontractors. The Supplier agrees to transfer the obligations of this clause to all its subcontractors and agents and shall remain fully responsible for their compliance. This clause shall survive the termination, expiration, or resolution of the Agreement for the duration of the applicable statute of limitations for labor and social security actions in the relevant jurisdiction.

16. Limitation of Liability

IN NO EVENT SHALL CIRION, ANY CIRION AFFILIATE OR SUPPLIER BE LIABLE TO THE OTHER FOR CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, ANY LOSSES OF REVENUES, BUSINESSES, CONTRACTS, ANTICIPATED SAVINGS OR PROFITS) AS A CONSEQUENCE OF OR IN RELATION WITH THE PERFORMANCE OR FAILURE TO PERFORM THE AGREEMENT. THIS LIMITATION SHALL APPLY WITH REGARDS TO ALL CAUSES OF ACTION, INCLUDING, WITHOUT LIMITATION, BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, FRAUD, MISREPRESENTATION, AND OTHER TORTS.

17. Confidentiality

The recipient of any Confidential Information shall not publish or otherwise disclose such Confidential Information to others without the written approval of the disclosing party; provided, however, that the foregoing provisions shall not apply to any Confidential Information which (i) becomes publicly available other than through the recipient, (ii) is received from a third party without restriction and without an obligation to keep confidentiality, (iii) is independently developed by the recipient, (iv) is required to be disclosed by Law, provided that the party availing itself of this exception has used commercially reasonable efforts to avoid or limit such disclosure or (v) becomes essential to the settlement of any dispute or enforcement of one party's rights under the Agreement, in which case appropriate protective measures shall be taken to preserve the confidentiality of such Confidential Information as fully as possible within the confines of such negotiation or implementation process. If any Confidential Information is required to be disclosed pursuant to the foregoing clause (iv), the party required to make a disclosure of the Confidential Information shall promptly inform in writing to the other party of the requirements of such disclosure. Notwithstanding the foregoing, Confidential Information may be made available to employees, agents, subcontractors, affiliates, legal, financial and accounting advisors and financial institutions of each of the parties, to the extent that any such party has taken the necessary measures to ensure that any such person will comply with the confidential provisions of this Agreement.

Supplier and Cirion each agree that neither shall use Confidential Information other than in connection with the Work. On termination of the Agreement, each agrees to either return to the other all documents containing Confidential Information or to destroy all copies thereof.

The provisions of the foregoing paragraphs shall survive for two (2) years following the expiration or termination of the Agreement.

18. Time is of Essence

Time shall be of the essence in respect of Supplier carrying out all of its duties pursuant to the Particular Conditions and failure to comply with specified dates informed by Cirion shall be considered an essential default without the requirement of further notice. If Supplier fails to meet its scheduled delivery date and Cirion elects to call for expedited shipments, Supplier shall pay the difference between the agreed method of shipping and the alternative expenditures incurred.

19. Liquidated Damages for Delay

If the Goods are not delivered or the Services are not provided or completed on or before the agreed dates, Cirion shall be entitled to deduct from the Price or claim from the Supplier liquidated damages for delay, not as a penalty, and without prejudice to any other rights Cirion may have (including, but not limited to, the right to claim further damages if the sums indicated are insufficient to cover Cirion's losses). Unless different percentages are set out in the Special Conditions of the Purchase Order, liquidated damages shall be 0.1% of the Price for each day of delay after the delivery, provision, or agreed completion, up to a maximum of 10% of the Price. If liquidated damages reach 10% of the Price, Cirion may terminate the Purchase Order without prior notice.

This clause shall apply exclusively to delays in the delivery of Goods or in the provision or completion of Services and shall not be cumulative with the fines or penalties provided for in the clause of “Fines” with respect to the same act, obligation, or period of delay. If the delay becomes a total or definitive breach and Cirion applies the Penalty Clause, the damages previously calculated for delay will be credited against the amount of said penalty.

20. Assignment; Subcontracts

The Agreement shall be binding upon and shall be to the benefit of the parties and their respective successors and assigns. Neither of the parties shall transfer their rights or delegate or subcontract their obligations in accordance with the Agreement, without prior consent of the other party except for (i) an assignment by Cirion to any Cirion Affiliates or to a successor to substantially all the assets of Cirion or to a Cirion Affiliate by way of a corporate reorganization, merger, consolidation or sale of assets, (ii) an assignment by Supplier of all its rights and duties under the Agreement to its Local Country Subsidiary, or (iii) an assignment as collateral to financial institutions by either Cirion or Supplier. Any permitted assignment or subcontract shall not in any way relieve Supplier from any of its obligations under the Agreement.

The Supplier may not subcontract the execution of the Work—in whole or in part—that involves personnel entering Cirion's facilities or performing tasks inherent to or related to Cirion's business, without Cirion's prior written consent. Any authorized subcontracting must impose on the subcontractor the same labor, social security, health and safety, confidentiality, and data protection obligations stipulated in the Agreement, and the Supplier shall remain jointly and severally liable to Cirion for compliance.

21. Termination for Convenience

Cirion may terminate the Agreement in full or in part at any time for its convenience upon giving Supplier fifteen (15) days prior notice and against payment of costs reasonably incurred by Supplier (in relation to the Work already performed in conformity with the Agreement) through the date of receipt of such notice.

Unless provided otherwise in the Particular Conditions, Cirion will be entitled to liquidated damages in an amount of zero point one percent (0.1%) of the Price of the non-conforming Goods and/or the fees of the Services for

each day of delay between the date of notification of the non-conformity and the date in which the substitute Goods are delivered or repair of Goods or correction of the supply of Services is completed.

In general, if Supplier fails to comply in any material respect with any of the terms and conditions of the Agreement, and if that failure is not corrected within thirty (30) days following written notice by the Cirion, Cirion may terminate the Agreement with no need of previous notice.

If (i) a Force Majeure event (as defined below) prevents Supplier from performing its obligations for a period of at least thirty (30) consecutive calendar days or (ii) Supplier ceases, or threatens to cease, to carry on business, Cirion may, without prejudice to any other of its rights, terminate the Agreement forthwith by notice to Supplier.

23. Force Majeure

Neither party shall be liable for failure to perform its obligations under the Agreement if (i) the failure was due to an impediment beyond its control; (ii) it could not reasonably be expected to have taken into account the impediment or its effects upon its ability to perform at the time of the execution of the Agreement; and (iii) it could not reasonably have avoided or overcome it or its effects ("Force Majeure").

prejudice to any other legal actions that Cirion may be entitled to take. Penalty Clause: The Supplier agrees to a penalty of fifteen percent (15%) of the value of this agreement for total breach, or prorated in the event of partial breach of its provisions. This penalty shall be enforceable without the need for prior private or judicial notice to place the other party in default, without prejudice to the principal obligations that each party must fulfill under this Agreement and the law.

In any case, it shall be understood that payment of the penalty does not extinguish the principal obligations, and that the compliant party may claim payment of the penalty plus compensation for damages at the same time, if applicable. This agreement shall be sufficient proof for the claim of the penalty. The enforcement of this penalty will not preclude compensation for damages if the amount of damages exceeds the penalty. The Supplier agrees that the amounts described in this clause may be deducted directly from any outstanding balances owed by Cirion. If no amounts are owed, they will be collected through enforcement proceedings, for which this Agreement, the Service Addenda, and evidence demonstrating the grounds for applying the Penalty Clause will provide the right to enforce.

The fines and penalties provided for in this clause will not be cumulative with damages assessed for delay related to the same act, obligation, or period of breach. If a delay becomes a total or permanent breach, the amounts previously assessed for such delay will be applied against the penalty provided for in this clause.
